GDNA Neighborhood Outreach Program

As part of our efforts to reach more neighbors, GDNA initiated a mailer campaign to 100 targeted households within Greater Deyerle. These households were located in parts of Greater Deyerle where we have no or very limited engagement. For this effort, we created a two-sided mailer card, placed in an envelope and sent to targeted addresses. We will provide an update on the progress (hopefully success!) of this campaign at the January 29th meeting.

Greetings From Greater Deyerle Neighborhood Association!

We would like to invite you to get involved with your neighborhood. Join us for one of our bi-monthly meetings, with the next one scheduled for January 29th, 2026. Additionally, feel free to visit our website and subscribe to our monthly newsletter to stay informed about issues impacting Greater Deyerle.

Hello Neighbors!

Did you know that the Greater Deyerle Neighborhood Association has been back up and running since May 2024? Since that time, we have been holding six meetings per year to issues affecting our community and to boost engagement with Roanoke City departments.

We have been diligently addressing the concerns that impact our neighborhood, and we would be thrilled to have you join us! We will be welcoming Roanoke City Manager, Valmarie Turner, for a fireside chat on January 29th at 7 PM. Our meetings take place at Covenant Presbyterian Church on Deyerle Rd.

If you're interested in learning more about our activities, please visit our website to access our monthly newsletters and meeting minutes.
